

## Division of Finance

# 2018 CHART OF ACCOUNTS

## Account Codes

Current as at: 03-JAN-2018

**2018 CHART OF ACCOUNTS - ACCOUNT CODES**

Current as at: 03-JAN-2018

**Account Type Hierarchy:**

**Level 1** Account Type Category

**Level 2** Account Type Code

**Account Code Hierarchy:**

**Level 1** Account Category Code

**Level 2** Account Item Code

**Level 3** Account Sub-Item Code

Transactions may only be processed on a code that allows data entry. Data-enterability is indicated in the right-hand column. Codes which may not be used for data entry (ie only used for Inquiry/Reporting purposes) are indicated with 'N'. Codes which may only be used for budget entries (not for Year to Date entries) are indicated with 'B'.

There is a 2-digit Level 1 Account Code for each income and expenditure category. These Level 1 codes are the level at which budget is normally recorded on the system.

In some categories there are Level 3 codes as well as Level 2 codes. The Level 2 Account Code is preferred for the coding of transactions, to reduce the size of reports and simplify the monitoring of financial results. Level 3 codes may be used if the further detail is required for budget management or reporting purposes.

Transactions in level 2 and 3 Account Codes are sub-totalled up to the level 1 Account of the category, for available balance calculation and reporting purposes.
